  <p>
    This year Sunny Acres becomes Wintery Acres as we institute
    our first Holidays on the Farm. Join us on weekends from
    November 23 through January 5 for holiday cheer and festivities.
  </p>
  <p>The Sunny Acres Farm Shop will be decked out in bright and
    colorful holiday decorations with special prices on garlands,
    tinsel, ornaments, and wreaths. Be sure to sample our homemade
    egg nog and bring some home for your family.
  </p>
  <p>The trails and hills around Sunny Acres will be alive with fun
    and games. Come join us for sleigh rides or zoom down our
    awesome sledding hill (weather permitting). Sunny Acres is
    adjacent to Dawson Park, which has a vast network of cross
    country ski trails for every level of skier.
  </p>
  <p>We've even decorated our barn for the holidays. Come visit
    Santa's stables, where you might even see a few reindeer--perhaps
    even one with a red nose!
  </p>
